Dear Sir:

This letter will serve as confirmation of your QSL December 26th, 1963 for reception of test transmission of WBCA Radio. WBCA operates on 1150 KC with a power of 1,000 watts, Non Directional. We are a daytime only station, and we use a Gates transmitter model BC-1-J.

We have a regularly scheduled frequency check set up each month every fourth thursday morning at 12:45 cst if you would like to listen for us again.

Thanks very much for the signal report.

Yours truly

Terry Hammond
